Dear Stapp Scholarship Applicant,

I am pleased to inform you that you have been awarded a scholarship for this year's NAAEE Conference. Please visit the NAAEE web site and register for the conference as you normally would have, when you get to payment mark check unless you are attending the Research Symposium, a pre-conference workshop, field experience, or closing night dinner then you will need to enter a credit card number as these things are not included in the scholarship. In the notes box on the final check out page, whether you purchased anything extra or not write in all caps STAPP SCHOLARSHIP. Your credit card will be adjusted before it is charged.

Very soon you will be contacted by Susan Navrotsky, this year's volunteer coordinator, so she can arrange your 4 hours of volunteer time at the conference.

I hope you will participate in the Wednesday evening mixer for Young Professionals and Students. There will also be an area in the exhibit hall for posting resumes and looking at job openings posted by others. We will have the universities and colleges in that vicinity and there will be a lounge area for socializing. If you are looking for a room mate or ride share, please use this page on the NAAEE web site:

Congratulations!
